Old Business	<ol style="list-style-type: none"> 4. Move to approve minutes by Amanda, motion passed 5. June 2 for AGM and April 28 6. Update from Sharon 7. Update from Amanda. We've booked White Spot again and are looking to book with strEATS 8. Update from Sharon. Last treat day was very popular and we sold out of what we had on hand. It was busy enough this time the plan for future ones is to bring classes down 2 or 3 at a time instead of a free for all. If selling leftovers we will only be advertising the main item, too many kids were wanting one of each and there weren't enough "leftovers"

We've changed vendors. Invitations will be going out after Spring Break.</p>

Bullying vs Conflict

- a. We need to clearly identify the difference between conflict and bullying, in order to appropriately respond to bullying incidents. While the two seem similar in some instances, there is actually a distinct difference.

Bullying is a persistent pattern of unwelcome or aggressive behaviour that often involves an imbalance of power, and/or the intention to harm or humiliate someone.

Conflict on the other hand is generally a disagreement or difference in opinion between peers who typically have equal power in their relationships. It's usually an inevitable part of a group dynamic.
